If there are identifiable people in the photo, you must have permission to use their likeness.

Choose ONE of the following licensing options:

Creative Commons Attribution-Non Commercial 4.0 International Public License

This material may be shared, copied and redistributed in any medium or format. This material may be transformed, edited and built upon. Appropriate credit must be given to the photographer as described above, a link to the license provided, and it must be indicated if any changes were made. The material may not be used for commercial purposes.

See full license [here](#).

Unlimited use by the Oceans Research in Canada Alliance Secretariat

Material is for the unlimited use of the Oceans Research in Canada Alliance (ORCA) Secretariat only. The ORCA Secretariat has the non-exclusive, worldwide right to publish and make the material available in perpetuity online and in any other format it uses or may use in the future. The photographer retains ownership of the material and is free to publish it elsewhere. Appropriate credit will always be given to the photographer as described above.
