

## FOCUS

Preserving Canada's cultural heritage for the benefit of current and future generations.

## PARTNERS

Canadian Heritage  
Parks Canada

# Cultural Heritage Science

## OVERVIEW

As a world-class leader, the Cultural Heritage Science hub will contribute to the advancement of cultural heritage science, conservation and co-operative information sharing to further the preservation of Canada's cultural heritage.

## SCIENCE PRIORITIES

Preserve cultural heritage for future generations

Facilitate access to collections

Identify and address emerging risks to cultural heritage
